Important Cottage Information

In alphabetical order

Bed Linen

During the Covid-19 period, at the end of your holiday please strip the sheet, duvet cover and outer pillow cases off your bed and place the linen in the laundry bag provided. Thank you for helping in these strange times.

When staying for more than one week, let us know if you would like to change your sheets and towels. If so, please strip the beds on a Friday morning and have the linen ready for collection. We will bring clean towels and sheets so that you can make up your beds.

Breakages

Don't worry if something gets broken but please tell us straight away so we can replace or mend it as soon as possible. We reserve the right to charge for breakages or damage.

Bicycles

These can be stored in the old wash house. Please don't take them into the cottage! A puncture repair kit and bicycle pump can be found in a box in the wash house.

Bins

At the end of your holiday please put all your rubbish into the dustbins in the arched cart shed. The blue bin is for waste that can be recycled and the list next to the kitchen bin will help you sort your rubbish. Do not bag waste for recycling.

There is a compost bin in the garden for raw vegetable waste. Please don't put paper, eggshells or cooked food into the compost bin.

Cars

Parking is on the gravel behind Newt Cottage. Be careful not to block the field gateway.

Drive with extreme caution down the hill into the farm. Animals, children, peacocks, farmers and tractors are invariably in the middle of the farmyard so please drive very, very carefully and expect the unexpected!

Departure

We always try to make sure the cottage is spotless for new guests and this is even more important due to the threat of Covid-19. It takes us five-and-a-half hours to clean the cottage from top to bottom, therefore please depart before 10.00 am on a Friday morning and leave the cottage clean and tidy, as you found it. We will need to use the dishwasher so please leave it empty.

Duvets

There are lighter duvets available in the wardrobes if the feather duvets are too warm.

The Farm

We hope you will explore our lovely farm footpaths while you are here - they help to make a visit to Hunting Hall special.

For safety, visitors are not allowed in the farm buildings, near farm machinery or on the bales. It is difficult to see behind whilst reversing farm machinery so stay well away from vehicles that are in use.

Farm animals may bite therefore take care and supervise children near fields and pens.

The Garden

Your private garden is in front of Newt Cottage. Please don't go into the garden area in front of the other cottage. If children want to play ball games that will squash garden plants they may play in the grass field.

Heating

The central heating which is run by an air-source heat pump is controlled by the thermostat in the passage.

Internet

The Wi-Fi password is barnowl

Left and lost property

If you leave something behind please let us know and we'll try to forward it to you. Unclaimed items will not be kept after the end of the year.

Important Cottage Information continued

Livingroom Fire

The coal house is the middle green door of the outbuilding at the side of the cottage. The ash bucket can be found in here and ashes are emptied into the metal dustbin provided. Wood and kindling for the fire are available in the cart shed (the arched building on the far side of the Fuffins white gate). *Always be very careful and use a spark guard when the fire is lit.*

Pets

We regret that pets (including farm dogs or cats - no matter how endearing they endeavour to appear) are not allowed in Newt Cottage.

Smoking is not allowed in Newt Cottage nor anywhere on the farm.

Toilet

The toilet is connected to a septic tank so please don't use harmful chemicals or put anything down the drains other than toilet paper. Place sanitary products in the small bags provided in the bathroom, fold the tops and put them in the bathroom pedal bin. Please empty this into the black wheelie bin in the cart shed.

Windows

Please be careful when opening the windows as some do not have sash-cords. The top window can fall down heavily onto the chocks if you do not hold onto it.

The Washhouse

This outbuilding is the first green door closest to the wicket garden gate. In here you will find beach games and fishing nets. Don't forget to put them back ready for the next guests and don't worry if anything gets lost or broken but please supply a replacement so that other children may continue to enjoy these items. Always supervise children near water.

Wild bird food to fill up the garden feeders can be found in the washhouse.

Shopping

Our local village store, 2 miles away in Lowick, has a good stock of basic necessities. To drive to Lowick from the farm take every right hand turn you come to. The shop is at the crossroads on the main street through the village.

The nearest town is Berwick upon Tweed, 8 miles away, where there are several supermarkets. Tesco is easy to find on the main route into Berwick.

Organic produce, locally produced goods and Fairtrade goods can also be bought in:

- The Green Shop, Bridge Street, Berwick
- Sunnyhills Farm Shop, Belford
- Oxford Farm Shop near Berwick
- The Good Life Shop, High Street, Wooler
- T.R. Johnson Butcher, Wooler Main Street
-

Eating Out

The Black Bull, Lowick, has a nice restaurant and coffee shop. Tel. 01289 388375 It is an easy walk of under 2 miles from the farm to the Black Bull along a green bridleway. Directions can be found in the cottage.

The fish and chip van is in Lowick every Wednesday evening from 6.30 onwards. It's very popular :)

Cycle Hire

- Ford Village Cycle Hire - Ford Village Shop, Ford. Tel. 01890 820230
- Berwick Cycles - Bridge Street, Berwick upon Tweed. Tel. 01289 331476
